Dear Customer,

CNC Associates Inc. was founded on a firm commitment to supply the best possible cabinetry to our customers.

Since 1992, we have manufactured standard and custom cabinetry of the finest craftsmanship. At CNC Associates Inc., we choose only supreme quality material and execute the most precise construction process.

We understand that designing your new kitchen can be complicated, so our dedicated staff is trained to assist you in making the selections that best suit your style and needs. You will find CNC's products both attractive and well-made, while at the same time convenient for everyday use. You will receive the best value for your money, without ever compromising on quality.

Our distinctive cabinetry options, which are customized for kitchens, bathrooms and living rooms, offer you limitless options to decorate your home, and create your own vision of perfection.

Hershy Fischman
Vice President

GENERAL INFORMATION

Design & Pricing Software

CNC Associates provides a product catalog compatible with 20-20 Design & Pro Kitchens Design Software downloadable via the internet by registering on our website at www.cncassociates.com. You can also contact your sales representative to receive a free CD.

Since a third party firm generates Design Software catalogs, CNC does not take responsibility for discrepancies between Design Software and actual invoices.

Terms & Standards

All prices and specifications are subject to change. All prices F.O.B. South Plainfield, NJ. Prices do not include any applicable sales tax and standard shipping charge. Contact your CNC sales representative to establish a multiplier. Terms of payment offered are COD and credit. A full credit application needs to be submitted to the credit department for review before a credit line is established.

Placing Orders

To ensure efficiency, orders, or changes, should be placed by fax or email only, using CNC order forms. Orders and modifications cannot be taken by phone.

IMPORTANT: Once an order is placed and sent into production, NO CHANGES can be made. Canceled or modified orders after approval, will have a 10% restocking fee (even if the order has not yet been shipped).

Orders are automatically scheduled for next available delivery day to your area unless specified otherwise by the customer. Please include an accurate request date with a clear delivery address on the order form. Our system requires P.O. numbers for all orders.

For us to keep our 24-48 hour lead time on our stocked cabinets and counters, all stock orders placed will be processed immediately and confirmations to customers will be faxed or emailed. Signatures are not required on stocked cabinets and counter orders. Back ordered items will be noted on the confirmation with the ETA.

Customers are responsible for reviewing quotes and orders for errors; please be specific when quoting only, by writing ‘quote only’ (quoting our import cabinets are easy by using our order forms with the multiplier.)

For C.O.D customers, your customer service representative will call to arrange and confirm the delivery a day in advance, as well as to ensure proper preparation of C.O.D, warehouse, and space. All discounts and pricing issues must be discussed and agreed before delivery.

We cannot guarantee a specific time of delivery. Customers can call the dispatcher directly for the delivery status (718-628-2919). When inquiring about an order please use the CNC sales order number or your P.O. number.

Returns

There will be a 20% restocking fee for any returned cabinet. Shipping/Delivery charges will not be credited for any returns. Cabinets must be in same condition it was when received, and in the original packaging. We will not pick up any installed cabinets or cabinets without their original box. When requesting a return or exchange, please provide original CNC sales order number or your P.O. number, so we can process your credit. If cabinets are returned against these rules, the customer will have a 7-day period to pick them up. After this time, they will be discarded. Once merchandise is received and inspected at our warehouse, we will then issue a credit to your account for the returned merchandise.

Non stock cabinets, custom modifications, glazed cabinets, counter tops (post form and self edge) etc. are not returnable.

Damages / Exchanges

If a cabinet or counter top arrives damaged, a replacement will be issued through Customer Service for the full price of the product; credit will be applied once we receive the RMA. Please request an RMA, which should be given to the driver (merchandise without an RMA will not be picked up). Once we receive the damaged item, we will determine if credit is applicable and credit your account. Exchanged cabinets cannot be swapped; you will be required to pay in full. Shipping/Delivery charges will not be credited for any exchanges. Please allow a couple of days for your credit to be applied to your account. Counter tops once ordered/approved (post form and self edge) cannot be canceled or exchanged.

Lead times

Cut-off time for next day shipping is 12:45 pm (M-T) 10:20 am (Friday) for assembled cabinets and unassembled stocked cabinets. Any cabinet modification, such as glass cut-outs, have a one week lead time.

Special cabinet orders have their own lead time. Please call the office for more information. Signatures are required for all modifications and custom orders.

Cut off time for Post Form Counter tops is 10:45 am (M-T). Counter deliveries for Monday must be placed before 1:00 pm on Thursday. Post Form special cut outs, assembled miters and cut downs have a lead time of one - two additional business day(s).

Stocked cabinets (C4 - L10) over 50 pieces have a 5-business day lead time. Stocked countertops (post form) over 12 pieces have a 7-day lead time. Non stocked cabinets for multiple units have a longer lead and shipping time, please ask your Customer Service Representative for a more accurate ship date.

Shipping

CNC offers delivery service with our own fleet of trucks to the tri-state area for a minimum charge, (please contact your salesman to obtain your shipping rate). Deliveries are curbside only. Job-site deliveries are available upon request (for a minimal fee).

COD customers will have to hand payment to the driver before unloading (in case of back orders, an authorization should be obtained for the deduction).

Refused orders will be charged a re-delivery charge. If the item is damaged, the customer must call Customer Service before refusing the item and deducting money from the payment.

Outside the tri-state area we ship via Common Carrier, where the best available pallet rate will be chosen (A special free freight program can be arranged, contact your Sales Representative for details). In the case of a shipping damage, a clear image of the damaged part must be submitted to Customer Service for review to get a replacement. If a customer sends their own carrier to pick up cabinets, CNC will not be responsible for filing damage claims. (A handling fee will be added to the order per pallet). Storage fees will occur to any order that we hold for more then 3 weeks at a rate of $35.00 per pallet, charged monthly.

Orders cannot be picked up on the day of completion.

Special Orders

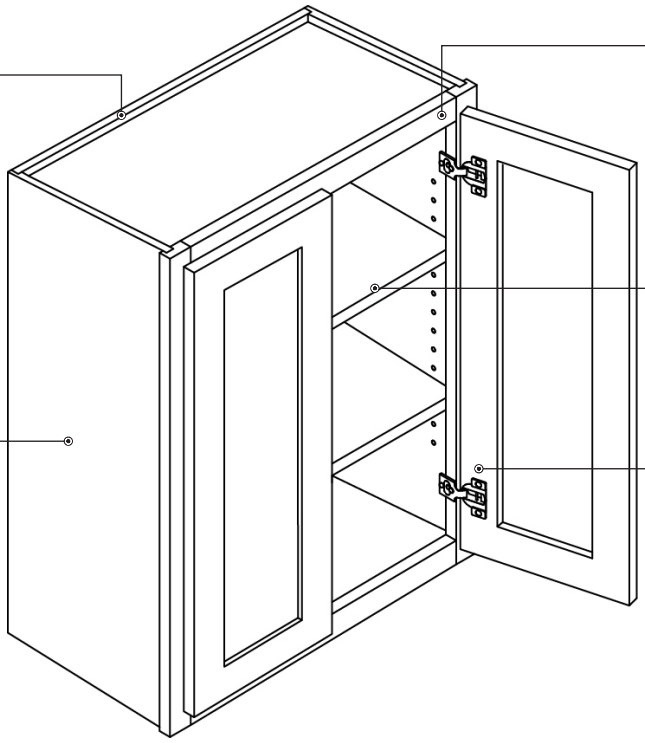

A 50% deposit is required for special/non stock items.

CAN AND CANNOT DO:

Maximum length for a post form top is 144” / minimum top is 36”.
L-shaped tops need to be mitered at the corners and can be assembled on the job-site with bolts and caulk (supplied). Although we do assemble miters in house for a charge, (one leg cannot be longer than 84”) our shop assembled miters may not be 100% perfect due to shifting in transit, therefore we do recommend job-site assembly.
When figuring out your post-form top, round it up to the next foot.
Example: 42” top = 4’ 48-1/4” = 4’ charge and 48-1/2” = 5’ charge
Lead time is 24-48 hours, orders above 12 pieces are a 7 business day lead time.
NOTE: Miter and other specialty work, adds 2 extra working days to the lead time.
Counter top price includes one sink cut out, one miter cut (not assembled) and all end caps.

ALL OTHERS BY QUOTE ONLY		

Custom Self Edge Countertops are manufactured in our own facility which gives us more flexibility in customizing your counter top. We can manufacture this counter top according to your specifications and drawing. (for what's available see counter top options)

1. When figuring out your custom counter top, calculate each piece individually. When you have an L-shaped counter top, the two legs must be figured out separately. Use the back of the counter top as your footage reference. Always round off to the next foot, then add on your special options. (two orders can not be combined for footage calculation).

2. Low Back Splash Counter Tops: the back splash will be top mounted (attached on top of deck). All back splashes will be shipped attached, unless specified otherwise.

High Back Splash Counter Tops: all high back splash counter tops will be shipped loose only. The deck will be pre drilled to indicate where the back splash should be installed, unless specified otherwise.

3. If the counter top is larger then 5ft. x 12ft. a laminate seam is required. Please specify were you prefer the seam. (there is an extra charge for a laminate seam).

4. On custom self edge counter tops there is a 4ft. minimum charge per order (not per top). For large size laminate, a material surcharge will be applied.

5. Regular lead time on our stock colors is 5-7 working days from sign off.

6. Beveled Edge or any other front edge treatment: since the footage of the front edge may not always be the same as the footage of the counter top, you must figure the footage for edge treatment seperately. Beveled edge treatment requires a 12ft. minimum charge, for special colors there may be a material surcharge.

FIVE YEAR LIMITED WARRANTY

CNC Associates Inc. warrants to the original purchaser that all Concord, Country and Classic Collection Cabinetry will be free from defects in material and workmanship under normal use for five years from the time of purchase. During this period of time, CNC Associates Inc. will repair or replace at our discretion, any cabinet or component that proves to be defective in material and workmanship under proper installation and normal use.
